

LifeSize ClearSea Client – Login

The screenshot shows the 'LifeSize ClearSea' application window. The title bar includes the application name and standard window controls. The main header is a dark blue bar with the 'ClearSea' logo in white. Below the header, there are two tabs: 'REGISTERED USER' and 'GUEST USER', with 'GUEST USER' selected. The interface contains two text input fields: 'Display name (optional)' and 'Dial string'. A prominent green 'Call' button is centered below the input fields. At the bottom left, the LifeSize logo is displayed with the text 'A division of Logitech'. A small globe icon is in the bottom right corner.

GUEST USER – unregistered users login

1. **Display name (optional)** – name of the user
2. **Dial string** – a string formatted <room_name>@cs.cesnet.cz
3. **Call** button – dial the videoconference

REGISTERED USER – registered users login

1. **Username** – user name
2. **Password** – password
3. **ClearSea Server** – *cs.cesnet.cz*
4. **Sign in** button – registered user sign in
5. **Sign me in automatically** – automatic user sign in on ClearSea clienta startup

Download LifeSize ClearSea client at:

<http://cs.cesnet.cz/download/>
